

## Safe Space update- Surrey East

By December 2020 everyone needs to have the correct level of A Safe Space training for their role. This leaves us only 16 months to get everyone up to date.

### Levels 1 and 2

In September 2019, in Surrey East, 602 volunteers still require level 1 safe space and 554 require level 2. Levels 1 and 2 are completed online, level 2 has an end of level assessment and volunteers must achieve and 80% pass rate. There is no longer a level 2 conversation/chat.

Common Misconceptions:

- Young Leaders must complete levels 1 and 2, there are a large number of these outstanding in nationally and in Surrey East.
- Unit residential helpers are required to do levels 1 and 2. Unit helpers just level 1
- Those who don't help directly with girls, such as treasurers and administrators and required to do level 1.

Note) Any volunteer (aged 18 or over) who is new to guiding will need to complete two references through GO regardless of their role. Any role can also have an 'alternative title' added with more specific role information. All active volunteers and members of The Senior Section can update their own contact details on GO

### Level 3

Level 3 safe space has 2 parts. An online element that is completed before attending a face to face training.

Common misconceptions.

- One leader in each unit must have level 3, this can be a leader, assistant leader in leader in training.
- Leaders who are in charge at residential events must have level 3
- Advisors and mentors are required to have level 3.
