CAPACITY

VOICE

To me guiding is fun, unique, adventurous and worthwhile; but the biggest part of it is opportunity. No matter what section or age, there are so many chances to try something new or a little crazy and achieve something you'd never even considered to be within your scope before.

ACCESS

EXCELLENCE

Guiding to me is a safe and supportive place where I can learn and develop skills to set me up for my future and give me opportunities that set me out from the rest. All while having fun and paving the way for future generations to thrive in such an amazing organisation like I did as a nervous young rainbow and still do 15 years later as a leader.

Girlguiding is the leading charity for girls and young women in the UK. Our amazing volunteers inspire girls to find their voice and be their best, giving them a space where they can be themselves, have fun, build brilliant friendships, gain valuable life skills and make a positive difference to their lives and their communities.

OUR MISSION

Through fun, friendship, challenge and adventure we empower girls to find their voice, inspiring them to discover the best in themselves and to make a positive difference in their community

OUR VISION

An equal world where all girls can make a positive difference, be happy, safe and fulfil their potential

Thank you to all the lovely volunteers who give so much of their time to Guiding.

2016 saw the change of leadership in the county from Elaine and Barbara — who now both deserve a well-earned rest as their term of office has now closed.

We say a huge thank you for all they have done and will continue to do for the county. Enjoy the photos of the year past - and help us grow Guiding in 2017.
