Thank you so much for all your continuing hard work in what was a busy 2012 for Surrey East, with so many of you volunteering to represent the County at National events such as the Golden Jubilee, Olympics and Paralympics alongside numerous County occasions.

2012

The County continues to grow and thrive due to the hard work, dedication and enthusiasm of the leaders and other volunteers. So many of you give up your precious time to give the girls experiences on residentials and events away from their meeting place as well as the time given to the weekly meetings

I hope you enjoy reading about 2012 in Surrey East.

## BI-ANNUAL OUTING

Surrey East had their bi-annual outing; with a successful boat trip along the River Thames. The weather was very kind to us and we enjoyed many familiar sights including Tower Bridge and the Houses of Parliament,

## RECRUITMENT

The recruitment team have had an extremely successful year visiting units and events and continues to recruit more volunteers and leaders which enables more girls to enjoy Girlguiding. Our new volunteers are supported by a group of mentors who develop the skills and confidence they may require to lead and help in units.

## INTERNATIONAL

Girls continue to travel the Globe and experience the cultures and traditions of various countries and assisting with volunteer projects within communities.

## TRAINING

The current training programme ensures that the leaders are up to date with first aid, Go, Join Us, Leadership and many other initiatives within Girlguiding. The outdoor team continue to deliver training to assist leaders to gain qualifications for unit residentials. The training programme is designed to train adult leaders, young leaders (14 to 20 years old) and senior patrol leaders (12+) in the skills and knowledge they require to deliver the unit programme. Evening trainings are held to support new leaders in the understanding of their section programme and to continue to offer ideas for use in their unit meetings. These sessions also concentrate on the basic leadership and core skills.

## LONDON OLYMPICS 2012

Members of Surrey East were lucky enough to be selected for the Olympic Torch Relay which is a great achievement for both them and Girlguiding.

Brownies from 1st Tadworth Unit were interviewed by various TV and Radio Stations, including the BBC World Service when they were lucky enough to attend the Ring The Bells event aboard HMS Belfast!

## FAUREFOLD NEWS

2012 saw the official handover to Surrey East of our new Residential property at Faurefold. Fundraising continues with a wide variety of events and activities for units to participate in. A very successful Barn Dance was held in November and enjoyed by all who danced the night away. A new parking area has been laid and working days continue to enhance the grounds.

## TREFOIL

The Trefoil Guild have had a busy year : For their Annual Review in March they celebrated the Queen's Jubilee by recalling some personal experiences of Queen Elizabeth's reign.

Activities throughout the year have included:

- a short break on Hayling Island
- In the spring they went to see Singing in the Rain.
- Their Jubilee tea party, held at Heyswood in May and, although wet, was very enjoyable
- The Olympics torch relay round the County was a big focus with other members of Girlguiding joining us. This ended up at Polsden Lacey for hot dogs and camp fire (again in the rain!)
- They welcomed Pip and her son to Horley's garden party in August.

The Guilds have organized several interesting speakers, outings, quiz's and crafts of all sorts. Their meetings every month continue to be varied. New members are welcome at both County or District level to our various events.

Members have also enjoyed assisting at various events at District, Division and County Level and is much appreciated by all of us.
