County Update January 2026

Welcome from the County Commissioner

Happy New Year and welcome to 2026. I'm delighted to share our Autumn/Winter edition of the [County Newsletter](#) which provides terrific round up of our guiding adventures in Surrey East for Autumn/Winter 2025!

2026 is my 5th year as county commissioner and I am in discussion with region about potentially extending. I am very keen to focus more of my time in recruitment and retention of volunteers this year. You can really help me by ensuring that you renew your DBS and safer guiding when asked and certainly **before it expires**. Not only does this ensure that you are fully up to date with current practice but also eliminates the unnecessary chasing and processes that follow when people reach the final deadline and sadly membership is denied or withdrawn for non-compliance. Please do ask if you need help and don't wait until you get to this stage.

For those of you who are commissioners/advisers and the county team, I cannot thank you enough for all that you do to support guiding locally. I am so proud to be county commissioner for Girlguiding Surrey East, to lead such an amazing team of volunteers who do so much to help girls and young women know they can do anything.

As we get setup for the Spring term and the lighter evenings, I know you will have lots of lovely things planned in your units and hope that you have a great term.
